

MESPA / MESPEF PROFESSIONAL DEVELOPMENT PROGRAM H.O.P.E.

Dear Members and other Colleagues,

This year, MESPA is offering another outstanding professional development program. It is called H.O.P.E. – strands of offerings in the categories of:

High Expectations,
Organizational Structure,
Professional Learning Communities, and
Engaging All Learners.

Enclosed in this mailing is a comprehensive list of the conferences, workshops, series, and on-line courses that align to these strands. You and your staff members will be able to access descriptions and registration fees at our Web site at www.mespa.org and we hope that you will do so right away so as not to miss enrollment deadlines.

MESPA is offering access to its program in this way in order to accomplish the following goals:

1. To cut down on the use of paper and apply a 'green' philosophy to all that we do this year;
2. To provide a vehicle of communication that the majority of our members use;
3. To update and post notices in the most timely way.

To access this important information in this manner, just click on www.mespa.org and then click on '2009 -2010 Professional Development Program' in the 'News' box. The enclosed comprehensive list will be posted there. There will be a link to each web site in the grid of offerings.

To provide updates and other information, it is important that MESPA have a current email address for everyone. Please confirm your email address by returning the enclosed form. Also, please ask your district email coordinator to accept email messages from any MESPA account so they may reach your email account without being blocked. Also, please provide us with your home email address so that we may be sure that our communications reach you. Your email addresses will NOT be shared with anyone.

MESPA is now offering '*MESPA On-Line: Learning without Boundaries*', a series of on-line courses offered in a combination of on-line and face-to-face sessions. Check it out.

Also, please be on the watch for news about MESPA on Facebook and Twitter coming soon.

Have a wonderful school year, and we hope to see you this year at some of the MESPA conferences and workshops or on-line.

Best regards,

A handwritten signature in black ink that reads "Nadya Aswad Higgins".

Nadya Aswad Higgins
Executive Director
